

CASSANDRA NICOLE N. ABRASIA

Web Developer

Bacolod City, Philippines | +63 929 240 4027 | cassey1226@gmail.com

GitHub: github.com/BlinkyPanoptes | Portfolio: blinkypanoptes.github.io/Web-Developer-Portfolio

OBJECTIVE

Graduating Computer Science student (expected November 2026) and web developer skilled in HTML, CSS, JavaScript, Laravel, and Python. Led a team of interns building an Electronic Medical Records (EMR) mobile app during OJT, and has built web systems from requirements gathered in client interviews, including a booking system for a salon in Dubai. Available for part-time and project-based web development work.

TECHNICAL SKILLS

- **Front-end:** HTML, CSS, JavaScript, Bootstrap, Tailwind CSS
- **Back-end:** Laravel (PHP), Django (Python)
- **Databases:** MySQL, PostgreSQL
- **Tools:** Git and GitHub, including merging and integrating team contributions
- **Graphics:** Adobe Photoshop, Adobe Illustrator
- **Also familiar with:** React Native (Expo)
- **Soft skills:** Team leadership, client requirements gathering, collaboration, adaptability to changing requirements

ON-THE-JOB TRAINING EXPERIENCE

Web & Mobile Developer Intern — Team Lead

May 18 – June 22, 2026

Crave Digital Supplies and Services

- Led a team of OJT interns, coordinating task assignments and overseeing project integration
- Built the front-end of an Electronic Medical Records (EMR) mobile application for a medical specialist using React Native (Expo)
- Developed back-end features in Laravel when full-stack implementation was required
- Managed version control with Git, merging team contributions into a unified, working codebase

SELECTED PROJECTS

Sibs Style Beauty Lounge | *Laravel* | *Client project*

Booking and scheduling system for a beauty salon in Dubai that matches services with available staff and prevents booking conflicts. Built from requirements gathered in interviews with the salon owner.

NorthLink | *Django* | *Team project*

Centralized property management web platform with modules for properties, tenants, inquiries, maintenance, and billing, plus an admin dashboard. [View on GitHub](#)

NorthCare Concierge | *Flutter* | *Team project*

Mobile-first AI portal that automates inquiries and centralizes communication between renters, tenants, and property staff. [View on GitHub](#)

GitPal | *Python* | *Solo project*

Terminal-based Git and GitHub assistant that guides users through staging, committing, pushing, and remote setup, and explains Git errors in plain language. [View on GitHub](#)

BalayHub | *Team project*

Mobile-friendly platform for browsing dorm listings, property details, amenities, locations, and reviews.

EDUCATION

University of Saint La Salle (USLS)

2023 – Present (Expected November 2026)

Bachelor of Science in Computer Science

Technological University of the Philippines – Negros, Talisay

2020 – 2022

Engineering Technology

University of Negros Occidental-Recoletos (UNO-R)

2014 – 2018

Secondary Education

CAMPUS & COMMUNITY INVOLVEMENT

- Member, Computer Science Society (CSS), USLS
